RE: Neurontin Marketing and Sales Practices Litigation, MDL No. 1629

Dear Tom:

Kindly accept this as a confirmation of our conversation yesterday with Don Barrett, wherein the MDL agreed not to seek "a tax" or assessment on any personal injury cases my office is handling. Likewise, my office will not seek to collect any monies for my firms lawyers time related to common benefit work which we perform.

If this accurately reflects our agreement, kindly countersign below and return one copy in the enclosed envelope.

Thank you for addressing this matter in such an expeditious and professional manner. I do look forward to working closely with you on this important case.

Very truly yours,

Andrew G. Finkelstein
